THE LAST RAILWAY BUILDING IN BISHOP'S CASTLE NEEDS SAVING **NOW**

Bishop's Castle Railway Society

From this in 1955

to

this in 2017

We've applied to the Heritage Lottery Fund for funding to restore the fabric of the building but to safeguard its future, it needs to be sustainable. We see a role for the building as a community exhibition space, as a meeting venue for local groups and as interpretation centre explaining the role of the railway in the history of the town. To do this we want to install electricity, mains water and drainage and provide an accessible toilet.

HLF funds won't cover all this. Volunteering is already making a significant contribution and the Railway Society has agreed to make a substantial sum available but we'll need more to realise the dream.

We want to raise at least £10,000 so we're asking now if you would consider making a donation towards the successful completion of this project.

Everything we receive will be ring-fenced and, in the event of the project not proceeding, can be returned to donors.

Please send cheques made to B.C.R.S. Co Ltd. Ref: Weighbridge

Plea from The Town Council

There have been incidents recently, where glass bottles have been smashed on the playing fields, as you can appreciate this can cause serious injury to users of the playing fields.

There have also been occasions where irresponsible dog owners have not cleared up after their dogs. This too also could cause infections and the loss of sight.

Please can you clean up after your dogs.

INPUT FROM BC COMMUNITY PARTNERSHIP FOR THE BC TOWN NEWSLETTER

Fight The Plastic has had a very busy and successful few months, but with much more to be done. The Shoppers' Survey was completed by 143 respondents, thanks to the Co-op shop and Harvest Wholefoods for being distribution/collection points, and the College returned 140 student surveys. There was an overwhelming positivity in people's desire to see a reduction in unnecessary and excessive plastic packaging and all plastics being recycled by Veolia. The results will soon be on our website www.fighttheplastic.co.uk

The 'Refill' app now has 16 local traders and means visitors should have no problem getting their bottles refilled, saving plastic. (Only 17 are found in Shrewsbury!)

Our main targets now are Action Days on 5th and 6th of October, involving students and the public with displays and activities and a major, online fund-raising effort via Crowdfunder to pay for a P/T coordinator for a year to run the campaign, increase its scope and move the town towards Plastic-Free Community status. Find us on <https://www.facebook.com/Fight-The-Plastic>

Life on the Edge. The first planting of wildflowers on the Bishop's Castle A489 junction has just taken place. It's been marked with notices asking Shropshire Council not to cut the grass. The plants include: Birdsfoot Trefoil, Common knapweed, Sneezewort, Agrimony, Musk Mallow, Cowslip, Betony, Primrose, Meadow Vetchling, Bush Vetch and Yellow Rattle.

Shropshire Maternity Mental Health Provision one of lowest in country

The Maternal Mental Health Alliance has published data that shows that the level of specialist support given to Shropshire women and their families is “extremely basic” and “falls short of national standards”.

Over half of new mothers are concerned about their mental health and as many as 1 in 5 pregnant women and new mums experience some form of mental health challenge. Men can also be affected, the National Childbirth Trust research shows that 1 in 3 new dads are concerned about their mental health and 1 in 10 dads suffer from Post Natal Depression.

Healthwatch Shropshire want to hear how families have managed their mental health problems with the current provision and what improvements would have made the difference to them.

NHS England have announced that they will increase spending on maternal mental health support from 2019 which should hopefully mean a better level of support locally. This is a real opportunity for parents to share their experiences and use them to help develop a service which truly meets the needs of local families. By sharing your story you can help organisations providing care to learn as well as design services which will benefit everyone.

You can help by sharing your experience or encouraging anyone you know who might be affected to take five minutes to share their story. All information will be treated confidentially and shared anonymously. You can contact Healthwatch Shropshire on 01743 237884 or email enquiries@healthwatchshropshire.co.uk
