

MILITARY GRAVES

Can you find these military insignia on four headstones that are all close together? These commemorate Bishop's Castle men who died in World Wars I and II.

2. NORMAN TOWER

Between April and August you may see swifts flying around the top of the tower and hear their screaming call. Swifts are superb flyers and spend all their time in flight, even when they sleep!

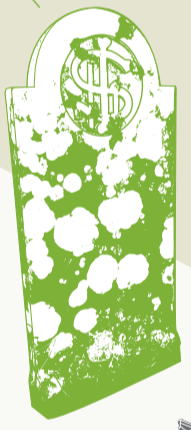

ANGEL & VICTORIAN STYLE

The weeping angel is typical of memorials from Victorian times. Can you see two smaller angels nearby?
