TOWN PLAN ARTICLES FOR BISHOP'S CASTLE

AUGUST NEWSLETTER

The new Bishop's Castle Community Partnership Charity [BCCP] has been formed to replace the Town Plan working group. As a formally constituted charity, with its own bank account, the BCCP will be able to seek funding for its many initiatives to benefit the community. It will continue to work closely with the Town Council, with representatives from the Town Council on the committee.

The BCCP is a small group of volunteers, and for it to be a success, we urgently need more people to help with the wide range of initiatives which are aimed at improving all aspects of life in Bishop's Castle. It isn't a heavy commitment, a few hours every month at most helping with interesting community projects. Please contact Keith Whiddon
keith.whiddon@btinternet.com 07971 661615

The Bishop's Castle Food Hub (sponsored by Lightfoot) has now brought together the Grange Road Housing Association, which runs the 'Meals on Wheels' and other events for the elderly, with the Bishop's Castle Co-operative shop, who are supplying them with their surplus food 3 days a week.

Most of you will have seen the Fight the Plastics board outside of the Co-operative shop. This group is carrying out a survey of retailers and shoppers to understand the issues about the use of plastics and to find solutions, such as local retailers offering to re-fill water bottles, forming a Buyer's Group for biodegradable packaging, etc. Interim survey results were presented to Philip Dunne at a meeting to discuss the issues and seek his support. A litter-picking day took place, with a collection to be displayed at Action Days planned for October.

We are grateful that the Community College and BC Co-op are closely involved with this project. Lightfoot has generously donated £100 towards the initiative. If anyone wishes to help with this project, please call Dave Luckhurst on 680250.

The verges at the BC A489 cross-roads have been raked clear of cut grass three times as part of the Life On the Edge initiative. Wild-flower plugs have been bought, to be potted-on before being planted out in the late summer. If anyone can help with the raking or planting-out, please contact Rob Rowe on 630648.

All about Woods A 'taster' session was held at the Community College in June for Years 7 & 8s for a programme of 8 sessions on managing woodlands to be carried out as part of the College's Enrichment activities. This project is being run by Lightfoot.

Read Easy UK

Most of us take reading for granted and don't give a second thought to what life would be like if we couldn't read. But some people live in a world where they can't read forms, medicine instructions, letters and emails, or stories to their children or grandchildren. In fact research shows that around 5% of adults in England and Wales can recognise just a few common words.

Read Easy was set up to specifically tackle this problem and has helped hundreds of people by providing free one-to-one coaching for any adult who struggles with reading.

We know there is a real need for a service like this in our area and have already received enquiries from two people who want to learn to read.

Our new group would cover Bishops Castle and it's surroundings to Bishops Castle and Knighton..

More information will be available shortly

BISHOPS CASTLE ROUND AND ABOUT WALKS 2018

This year's Round and About walks took place on an ideally cool but sunny day, attracting nearly 200 people, much as usual. The extra-ordinary bit was the amount of money collected - recently confirmed as a record-breaking £19, 283!!!

Walkers pay for the pleasure, so are under no obligation to gain sponsorship, but each year a few people choose to do so. This year, sponsorship totalled £15,000 with two people collecting well over £1,000 each and the family and friends of one young man collecting some £11,000. In this case, 25 Londoners, mostly in their 20s, undertook the Scramble to Clun. They were not experienced walkers, and suffered more than their fair share of blisters, but met their target - a token of the supportive framework of the walk itself. They were also, although from a variety of very different backgrounds, new to Shropshire and overwhelmed by its beauty and friendliness. Several of them wanted to pay for sustenance donated to us.

Photograph of the Young family who are mentioned in the article

This amount of money has a serious positive impact on Bloodwise, the biggest blood cancer charity in the UK. In Birmingham alone, it has £16 million invested in 32 different research projects and clinical drug trials, which help speed up access to new treatments for patients with leukaemia, lymphoma and myeloma.

This is made possible through: the generosity of local firms - BC Co-op, Boars Head, Castle Hotel, Ganges, Happy Bap, Poppy House and Wenlock Water

the time and energy of some 50 volunteers who help, mostly on the day the support of those energetic people who actually do the walk.

The date for next year is Saturday May 11, starting at the Church Barn. Any new thoughts or offers of help are very welcome. Jean Shirley (jeanshirley@btinternet.com)

Young Sports Leaders complete a 2-day course at SpArC

The Save the SpArC campaign and charity have recently funded a 2-day level one course in Sports leadership for potential young sports leaders from Bishops Castle Community College, local sports clubs and Teme leisure.

The 2 day course attracted 19 applicants who all completed the course which finished last Saturday.

Jean Shirley, Chair of Trustees said “We are pleased to offer this training for local young people as they are our sports leaders for the future. Committing two days of their own time shows real enthusiasm by these young people to gain recognised sports qualifications which we hope will help them in their future careers as well as providing extra capacity at SpArC.”

Jean went on to say “we hope to follow up with a level 2 course in sports leadership, and also have First Aid training at level 2 on offer in the Autumn.”

Trustee Richard Whately added “these courses are a great resource for our local young sportsmen and women, many of whom are members of local football and cricket clubs. We hope to be able to offer them on a regular basis.”

For more information about training courses and holiday activities for young people please see the Save the SpArC facebook page or call into the SpArC Centre and pick up a flyer.

The photograph shows young sports leaders at the end of their 2 day training course with coach Benji Evans, centre.
