

# BISHOP'S CASTLE

AUGUST  
To  
SEPTEMBER  
2020

ISSUE 71

## The Mayor Grant Perry

Shropshire Council Advice to keep our community safe and whilst many of our community volunteers return to work it is also vital that we keep in touch with those members of the community who have required assistance to ensure that support is kept in place.

Locally, at the July Council Meeting we hoped to welcome two or three new Councillors which moves us towards a full complement but there are still vacancies for anyone interested and you are asked to contact the clerk for full details. It is my ambition for there to be an Election in 2021 which will be the first such election for quite some time. The Council voted in favour of some experimental changes to Traffic Regulations which when in place will be open to consultation as to their success (or failure) via the Town Clerk and I encourage you to pass on your thoughts before any final decisions can be made. The Social Media Campaign that these changes provoked highlighted the dangers of Social Media as there was much Fake News in the posts and as councillors are prevented from commenting on Social Media prior to decision making the loudest shouters often appear to be correct when in fact they sometimes are not. If you have concerns over any local issues please speak to one of the Councillors or contact the clerk who can allay any such concerns.

We all missed the Carnival but Cllr Dickin and members of the Committee produced a week of Virtual events including Quizzes, Decorated Properties / Windows and a touring Open All Hours Float to promote local Shops – Those involved brought a smile to many people during what should have been carnival week and are to be commended on their success. I am sure that Centre Stages on line Party in the Park was equally be a great event. A number of the Festival Organisers have been holding Video Conferences to keep in touch and plan similar on line or virtual events to keep the spirit of such festivals alive in 2020 and in people's thoughts for 2021

Hopefully the next Newsletter will be delivered door to door for October but that will only be possible if we all continue to Social Distance and keep Safe and prevent a Second Wave.

Stay Safe.

## **Playground**

We are pleased that the playground and Skatepark are available for use once again, however it was disappointing to see that vandalism had occurred during the period of closure and this has led to an extra expense for the Council.

Whilst the areas are open again members of the Public are reminded that they are responsible for following the latest guidance regarding Sanitisation and Social Distancing whilst using the facilities and our contractors will be making regular visits to the site but please remain vigilant and report any damage, vandalism or concerns to the Town Council.

## **New Councillors**

We were delighted to Welcome Bamber Hawes and Stuart Morris as new Councillors at our July Meeting which still leaves a couple of vacancies to be filled. If you can spare a few hours a month please contact the clerk for further details or speak to one of our current councillor's.

## **Face Masks**

With the wearing of Face Masks now mandatory in Shops and Supermarkets please spare a thought for our shop workers who have maintained a vital service over the last few months and show them the respect they deserve by observing the rules and not making their task any more difficult.

**Smartwater**

Every household in Bishop's Castle should now have received their Smartwater kit through the post from West Mercia Police. These have been provided to you free of charge thanks to funding from The Town Council , Connexus and the Police & Crime Commissioner.

These kits have been pre-registered to your address so once you have marked your appliances there is nothing else you need to do other than to display the Stickers provided in the kit in your Window's. This is vital as part of the deterrent effect of Smartwater as soon larger signs will be put in place advising that properties are protected by Smartwater so please use the stickers provided or feel free to purchase some additional ones.

If for any reason you have not received your kit please contact the town clerk who will assist you further.

## Next Farmers Market

The Market will be held on Saturday 15th August at Enterprise House car park 9am to 1pm.

I am still waiting for confirmation from all the stalls but to get something out we best we just include them as follows:

Alex – Handmade French Chocolates

John Fletcher – Honey and beeswax products

Amanda's bread – Homemade speciality breads and pastries

Mainstone Ladies – Homemade cakes, biscuits, jams and preserves

Weobly Ash – Farm reared pork, lamb, mutton and hogget

Cottage Garden Flowers – Flower arrangements fresh from the garden

Truly Tea – loose leaf teas, herbal teas, fruit blends and tea accessories

Little Wood Batch farm – Vegetables and fruit

Bella Donna Soap – Handmade soaps and other products from goat's milk

We may be welcoming two new stalls but I am awaiting confirmation.

## BISHOP'S CASTLE TOWN COUNCIL

Full Council meetings take place usually on the 3<sup>rd</sup> Tuesday of each month:

*All meetings are held in the Town Hall and commence at 7.30pm. Members of the public are most welcome to attend.*

*There is a specific point in each agenda that members of the public may speak. Should you have an issue you would like to bring to the Council's attention or something you would like to discuss, please let the Clerk know beforehand that you would like to speak and the subject matter so that we can prepare.*

## **Bishops Castle Town Council leading the way in fight against climate emergency**

At the Bishop's Castle Town Council meeting on 16th June the Town Council approved the first phase of their Climate Action Plan [CAP]. Following on from their Declaration of a Climate Emergency last September, the Town Council commissioned a Climate Action Plan report which was produced by a group of local residents and presented to the council for review in April. At Tuesday night's meeting the council thanked the authors and commended them for an excellent document before unanimously approving it and appointing Councillor Andy Stelman to act as liaison with the Sustainability Working Group as the recommendations of the report are taken forward.

If you would like to read the CAP you can download it from the Town Council web-site at:- <https://bishopscastle town council.gov.uk/sustainability/>

Paper copies will be available to be read in the Town Hall and Enterprise House.

If you are willing to help us take forward some of the CAP activities, please send an e-mail to: [townplan@bishopscastle.gov.uk](mailto:townplan@bishopscastle.gov.uk) or contact Mike Watkins on 630277.

## **'MARCHES GROW LOCAL' GROUP SEEKS TO BOOST LINKS BETWEEN LOCAL PRODUCERS AND BUYERS**

The Coronavirus pandemic has shown the vulnerability of our food supply and highlighted issues of food access in a time of crisis, particularly for the elderly and vulnerable in our communities. For many, this has resulted in changes to the way we shop and eat, and efforts to grow more at home. Across the Marches and in rural communities across the UK, people have sought out more local sources of food direct from producers rather than risking going to supermarkets where basic items were often unavailable. Food producers have had to change their business models to adapt to the closure of restaurants and markets.

'These changes (and the need for food resilience noted in the Bishop's Castle CAP) prompted the launch of 'Marches Grow Local' [MGL] working with The Middle Marches Community Land Trust and Tamar Grow Local (a resilient local food network in Devon). Tamar Grow Local fashions itself as an 'Online Farmers' Market', acting as a food distribution hub for local producers. Using the Tamar model, MGL's aim is two-fold: to develop direct links between local food producers and buyers across the Marches region and to empower more people to grow their own food. The vision is a more localised food system with a stronger local food economy and improved food security, and one that is more resilient to food system shocks. For areas reliant on tourism like the Bishop's Castle, Ludlow and surrounding towns historic market towns 'food tourism' based on local produce and agri-tourism have great potential as income-generating activities.

MGL also recognises that a centralised online 'food hub' service focused on local food could make supporting local producers easier, and would encourage producers to keep their products in the Marches area, rather than having to build their businesses around exports and sales out of the region. The principle behind 'short food supply chains' is that by focusing on buying local food whenever possible, it ensures that growers can make a living from keeping their sales in local markets and reduce import/export traffic that drives carbon emissions and food waste.

For more information on the background of the project, please visit

<https://middlemarchescommunitylandtrust.org.uk/the-hub/marches-grow-local/>

To sign up to our mailing list please send us an e-mail at: mmcltfood-hub@gmail.com

It is with regret that all concerts and Flea Markets are postponed until the foreseeable future

### Message from Sparc

#### Corona Virus:

As of 17th March 2020 we are stopping all SpArC Theatre events from today .

We will keep you informed as to when we will re-commence.

Take Care and Best Wishes

## Update on Stars shop

312 people have signed the Save the Stars petition, with many supportive comments. Shropshire Council, having rejected the Trust's request to take out a compulsory purchase on the building, has asked Shropshire Town and Rural Housing (STAR Housing), to decide if it will buy the building, and develop a small number of homes on the car park at the rear. We expect to find out what they intend to do by early August, and will then send out an update to everyone who signed the petition.

If STAR do not, the Tust will have to consider if it can afford to buy the Stars, and convert the upstairs into affordable housing, with a community resource centre on the ground floor. We want to hear people's views on this. Just visit the Trust's new website, [www.bcclt.co.uk](http://www.bcclt.co.uk), click on 'Contact', and leave a message.

# Coronavirus (COVID-19)

The following symptoms may appear  
2-14 days after exposure.

Fever / High temperature

Cough

Shortness of breath

Loss of taste / smell

Anyone with symptoms should stay at home for at least 7 days.

If you live with other people, they should stay at home for at least 14 days, to avoid spreading the infection outside the home.

After 14 days, anyone you live with who does not have symptoms can return to their normal routine.

But, if anyone in your home gets symptoms, they should stay at home for 7 days from the day their symptoms start. Even if it means they're at home for longer than 14 days.

If you have self isolated and are in need or assistance in obtaining groceries, prescriptions or dog walking please contact the Town Hall staff on

01588 630023 or  
email [info@bishopscastletownhall.co.uk](mailto:info@bishopscastletownhall.co.uk)

who will try and assist you with your issues

This service will be open between

10am and 4pm

Monday, Tuesday, Thursday, Friday and Saturday
